EU-COMPLIANT CUTLERY & STRAWS

Our EU clients need to switch to our wooden cutlery and quality paper straws. The Single Use Plastics Directive does not differentiate between conventional plastics and Vegware's plant-based compostable materials.

Here are the product codes for you to move to...

Our **wooden cutlery** is sustainably sourced from renewable birchwood. Strong and sturdy enough to set into crunchy meals – hot or cold.

And our **paper straws** are premium quality and food safe, keeping carbonated drinks fizzy for longer.
